Registration Scholarships

The organization of the 12th AEC Congress offers several assistance scholarships for undergraduate and master students. Interested students can submit a request by filling out the form found on the [registration platform](#), along with a scanned copy of the academic transcript with the average grade.

Young Researchers Awards

The six best oral or posters contributions presented in the congress will be awarded. Researchers should meet any of the following requirements: to be a master's or doctoral student or to have defended the Doctoral Thesis work after July 2017. The prize will consist of an economic aid and a diploma. The presentation (oral or panel) must be made by the researcher who attends the prize.

Those interested should fill out the form on the [registration platform](#).
